## Important Safety Instructions

Dibea

When using an electrical appliance, basic precautions should always be followed, including the following:

**READ ALL INSTRUCTIONS BEFORE USING THIS APPLIANCE.**  
**To reduce the risk of fire, electric shock or injury, please read these instructions carefully:**

### Personal Safety:

- 1, Store it indoors in a dry place out of the reach of children.
- 2, Always use responsibly. This appliance can be used by children aged from 10 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instructions concerning use of the appliance in a safe way and understand the hazards involved;
- 3, Not intended for use by children age 10 and under. Close supervision is necessary when used or maintained near children.
- 4, Use only manufacturer' s recommended attachments as described in this manual; misuse or use of any accessory or attachment other than those recommended, may present a risk of personal injury;
- 5, Take extra care when cleaning stairs;
- 6, Keep the appliance and accessories away from hot surface;
- 7, Do not block the appliances openings or hinder air flow, keep openings free of any objects including dust, lint, clothing, fingers (and all parts of the body);

### Electrical Safety:

- 1, Only use batteries and chargers supplied by the manufacturer;
- 2, Never modify the charger in any way;
- 3, The charger has been designed for a specific voltage. Always check that the voltage is the same as that stated on the rating plate;
- 4, A charger that is suitable for one type of battery pack may create a risk of fire when used with another battery pack;
- 5, Before using, check the charger cord for signs of damage or ageing. A damaged or entangled charger cord increases the risk of fire and electric shock;
- 6, Do not abuse the charger cord;
- 7, Never carry the charger by the cord;
- 8, Do not pull the cord to disconnect it from a socket, grasp the plug and pull to disconnect it;
- 9, Don' t wrap the cord around the charger when storing;
- 10, Keep the charger cord away from hot surfaces and sharp edges;
- 11, The supply cord cannot be replaced. If the cord is damaged, the charger should be discarded and replaced.
- 12, Do not handle the charger or the appliance with wet hands;
- 13, Do not store or charge the appliance outdoors;
- 14, The charger must be removed from the socket before removing the battery, cleaning

## Important Safety Instructions

Dibea

or maintaining the appliance.

### Battery Safety:

1. This appliance includes Li-ion batteries, do not incinerate batteries or expose to high temperatures, as they may explode;
2. Please use the original battery. Using the wrong type of battery may cause danger.
3. The battery is prohibited to be disassembled, hit, squeezed or thrown into the fire. If severe bulging occurs, stop using it.
4. To avoid liquid leakage, do not disassemble or collide the battery.
5. Shorting the battery terminals may cause burns or fire;
6. When you dispose the appliance, remove the battery and dispose the battery safely in accordance with local regulations.

### Service:

1. Before using the appliance and after any impact, check for signs of wear or damage and repair as necessary;
2. Do not use the appliance if any part is damaged or defective;
3. Repairs should be carried out by a service agent or a suitably qualified person in accordance with relevant safety regulations. Repairs by unqualified people could be dangerous;
4. Never modify the appliance in any way as this may increase the risk of personal injury;
5. Only use replacement parts or accessories provided or recommended by manufacturer.

### Intended Use:

1. This machine can only be used as a dry vacuum cleaner;
2. This vacuum cleaner is not waterproof, please do not use to vacuum and liquid or wet dust;
3. This vacuum cleaner can not be used to vacuum any burning or hot ash and dust;
4. Please use this machine as suggested in the user manual;
5. Please do not use this vacuum cleaner on concrete, tarmac or other rough surfaces;
6. This machine is a household vacuum cleaner, do not use it at any factory or commercial areas;
7. Do not use it to vacuum any construction waste or heavy metal dust;

### Warning:

1. Do not use water, solvents, or polishes to clean the outside of the appliance; wipe clean with a dry cloth;
2. Never immerse the unit in water and do not clean in a dish washer.

♦ **Remind again: To reduce the risk of fire, electric shock or injury, please observe above instructions.**

## Instruction of Components

Dibea

## How To Use

Dibea

### I. Use as the stick vacuum cleaner:

1. Assemble the battery into the dust cup, make sure the battery bolt head is inserted into the dust cup slot rightly as below.

2. Attach the metal tube to the main part as below until hearing the click sound.

3. Attach the power brush to the tube as showed below.

## How To Use

Dibea

4. Press the Switch to start the machine.  
Two suction speeds control.

High speed switch button

- Turn on the switch to use the low speed mode.
- Press the button on the top cover to change to high speed mode.
- Press the switch again to stop the machine.

### II. How to use as a hand vacuum:

Insert the accessory (bristle brush or long crevice) to the main part as showed below until hearing the click sound

## How To Use

Dibea

### III. How to charge:

1) When only one indicator light is blinking, please turn off the appliance, put it back to the charging base, then make sure the plug of the charger has been inserted into the socket. When charging, the indicate lights will become flashing green.

#### Note : How to use the wall bracket

1. Hang it on the wall with screws
2. Use 3M stickers to make the bracket glued to the wall, for storing the vacuum cleaner (make sure the height is the same as the vacuum cleaner itself, totally hanging away from floor is not acceptable)

2) It will have 3 green lights on after fully charged.

### IV. How to Maintain the Filter:

1) Press the handle locker to remove the battery from dust cup.

2) Separate and remove the top cover as showed below.

3) Take out the filter case, then take out the filter.

4) Wash the filter case and the filter by water.

## Troubleshooting

Dibea

5) Please dry the filter and the filter case completely before assembling back. 6) After drying, assemble the filter to the case.

7) Put the filter case back to the dust cup.

8) Assemble the top cover to the dust cup.

### ※Troubleshooting:
